§ 411h. Travel and transportation allowances: transportation of designated individuals incident to hospitalization of members for treatment of wounds, illness, or injury

(a) TRAVEL AND TRANSPORTATION AUTHORIZED.—(1) Under uniform regulations prescribed by the Secretaries concerned, travel and transportation described in subsection (c) may be provided for not more than three individuals who, with respect to a member described in paragraph (2), are designated individuals for that member if the attending physician or surgeon and the commander or head of the military medical facility exercising control over the member determine, with respect to any such individual, that the presence of such individual may contribute to the member's health and welfare. However, if the Secretary concerned has granted a waiver under the second sentence of paragraph (1) with respect to a member, then for any 60-day period in which the waiver is in effect the limitation in the preced-

ing sentence shall be adjusted accordingly. In addition, during any period during which there is in effect a non-medical attendant designation for a member under section 411k of this title, not more than a total of two roundtrips may be provided under paragraph (1) in any 60-day period at Government expense until there no longer is a designation of a non-medical attendant or that designation transfers to another individual, in which case during the transfer period three roundtrips may be provided.

(iv) Siblings of the member.

(v) A person related to the member as described in clause (i), (ii), (iii), or (iv) who is also a member of the uniformed services.

(4)(A) In this section, the term “serious mental disorder”, in the case of a member, means that the member has been diagnosed with a mental disorder that requires intensive mental health treatment or hospitalization.
